Disabled Persons Allowance – Guidance Notes

General Information

If your property has certain facilities which are required to meet the needs of a person with a disability who lives in the property, you can claim Disabled Persons Allowance (DPA). The qualifying facilities are:

- A room, other than a kitchen, bathroom or lavatory, used mainly by the person with the disability
- An additional kitchen, bathroom or lavatory for the use of the person with the disability
- Sufficient floor space to permit the use of a wheelchair used by and required for meeting the needs of the person with a disability. The person with a disability must use a wheelchair inside the property.

A member of the DPA team may phone you to ask for additional information in relation to your claim or they may arrange with you to visit the property to see how it has been adapted.

You will get a 25% reduction in your domestic rates bill if you have met the conditions of the scheme.

You can only claim DPA for a domestic property.

Section 1 – Ratepayer's details

You should fill in this form if you are the ratepayer, that is, the person who pays the rates for the property.

If you are a tenant in a NIHE, Housing Association or privately-rented property, please complete section 1.

Please provide your telephone number so we can contact you for further information, or to arrange a suitable date and time if a home visit is required.

Section 2 – Person with a disability

Under Article 31A of the Rates (NI) Order 1977, as inserted by Article 16 (3) of the Rates (Amendment) (NI) Order 2006 a person has a disability if he/she:

- a. is substantially and permanently disabled (whether by illness, injury, congenital deformity or otherwise); or
- b. suffers from mental disorder within the meaning of the Mental Health (Northern Ireland) Order 1986.

Please tell us about the disability. If you have any supporting medical evidence or evidence of any benefits in relation to the disability, please send us a copy of the entitlement letter with this application form. Please tell us on the application form if you require an interpreter during the visit to the property.

Section 3 – Your home

Please tell us what facilities your home has from the list provided. If your property does not have any of the facilities on the list you will not qualify for DPA. Use the space provided to give more detail on why the facility is required to meet the needs of the person with a disability.

There must be a clear link between how the property has been adapted and the disability, or DPA will not be awarded.

Section 4 – Other information

We will only contact the GP or Health Professional if we need more information about the person's disability. The person with the disability should sign this part of the application form to give us their permission to contact the GP or Health Professional.

If the person with the disability refuses to give permission for Land and Property Services (LPS) to contact a health professional for more information about the disability, or if they do not let the DPA Team into their property to see how their home has been adapted, the application may be refused.

Section 5 – Declaration

Please sign and date the application form to show that you understand and agree to the three statements listed in the declaration.

You must tell us if the person(s) with the disability moves out of the property.
