

Using your creditor checklist put each of your debts into the appropriate column below. You must deal with your priority debts first. Don't take any action on your non-priority debts until you have made arrangements with all your creditors.

Priority debts

(mortgage, rent, rates, secured loans, electricity, gas, fines, child maintenance)

Non-priority debts

(store cards, credit cards, overdraft, unsecured loans, catalogues)

Name and Address of Creditor, & Account No.
